Newark, New Jersey:

Dear Mrs. Manley:

I hope you havent forgotten me by my not being at the Afro office any more.

Since it appears that Mr. Butts will handle your press material this year, I'm wondering if you wouldn't consider my services with your club in some semi-executive capacity. You have an idea of my ability, intelligence and personality.

I also have four promising players lined up that you might be interested in. I can be reached at Mount Vernon 7-3931 any A.M.

Respectfully,
Horace Carter
